

******* CALLING ALL
MAYORS*******

We need your help!!!!

The Mayors Council of Oklahoma with the Oklahoma Municipal League will invite all 8th graders from Home Schools, Public Schools or Private Schools in Oklahoma to participate in the 2015-2016 "If I Were Mayor..." essay contest.

What we need you to do is contact your local school and let the teacher(s) know that you are available to come and talk to the students about your role as Mayor.

Posted on the MCO website is educational material based on your form of government available to you to download and provide to the students.

<http://okmayors.webs.com/ifiweremayoressay.htm>

Some ideas you could do: Invite the teacher and students to a council meeting or have a mock council meeting at the school.

If you have any questions or need additional material please contact;
